The results of the YSIAC Writing Competition 2020 are out! Come join the two winners (Best Claimant and Best Respondent) for a mock hearing as they deliver their winning submissions as counsel before an esteemed panel of arbitrators.

The hypothetical case scenario concerns a dispute over a distribution agreement, with the mock procedural hearing addressing two procedural issues: (a) whether to excuse the attendance at the scheduled hearing of a witness unwilling to testify and (b) whether to allow for two witnesses to testify via video-conference.
